

CALCULATIONS**Understanding addition and subtraction**

19(5)				2		3													
20(5)				2			3												
21(0)																			
22(0)																			
23(10)						3		2					3						
24(0)																			

Rapid recall of addition and subtraction facts

25(25)	5				5					5				5					5
26(25)				5					5						5				
27(5)					3						2								
28(5)								3									2		

Mental calculation strategies (+ and -)

29(0)																			
30(2)							2												
31(2)								2											
32(2)									2										
33(2)										2									
34(2)											1								
35(20)												5			4	1			5
36(5)													3						2

Understanding multiplication and division

37(5)										2									
38(5)																		3	
39(5)																			2

Rapid recall of multiplication and division facts

40(20)						5			5				5			5		
41(10)	2				2					2			2				2	
42(5)														5				
43(20)										5			5			5		5
44(5)			3															
45(10)						2		2				3				3		

Mental calculation strategies (\times and \div)

46(10)												5						
47(10)													5			5		

Checking results of calculations

48(0)																		
49(0)																		

SOLVING PROBLEMS**Making decisions**

50(5)									2										3
-------	--	--	--	--	--	--	--	--	---	--	--	--	--	--	--	--	--	--	---

Reasoning about numbers and shapes

51(5)			1					1					1					1	
52(5)																		2	1
53(0)																			2

Problems involving 'real life', money and measures

54(20)	5					5				5					5				
55(20)			5									5							5
56(20)					5						5			5					5
57(5)							1	1					1	1					1
58(5)			2	1						2									

Organising and using data

59(15)				5				5					5						
60(15)			5				5				5								
61(15)					5								5						5

MEASURES, SHAPE AND SPACE**Measures**

62(0)																			
63(2)					1												1		
64(2)							2												
65(2)																2			
66(3)									3										
67(5)					1			1		1						1			1
68(2)									2										
69(2)										2									
70(2)																		2	
71(10)	3					2									5				

Shape and space

72(2)	2																		
73(3)																			
74(3)			3																3
75(2)																		2	
76(3)												3							
77(0)																			
78(3)					1														1
79(2)																	1		1
80(2)													1						1
